

Menine Kleine Schule

1

```
flowchart TD
in[/make a new card/]
look{look for the old card}
del[delete the old card]
save[save new card]

in --> look
look --exists-->del
del --> save
look --New-->save
```

2

```
flowchart TD
loop{do for every card}
if{age>60 and area == Linz and area Linz}
send[contact]
loop --> if
if --Yes--> send
if --Not--> loop
send --> loop
```

3

```
flowchart TD
loop{do for every card}
if{is former participant and area == Urfahr}
send[contact]
loop --> if
if --Yes--> send
if --Not--> loop
send --> loop
```

4

```
flowchart TD
loop{do for every card}
if{if was in the last Home-curse}
```

```
send[contact]
loop --> if
if --Yes--> send
if --Not--> loop
send --> loop
```

5

```
flowchart TD
loop{do for every card}
if{age > 25 and interests == cooking}
send[contact]
loop --> if
if --Yes--> send
if --Not--> loop
send --> loop
```

Resümee

1. Das jeder Karte nur einmal vorhanden ist
2. Ja
